Residents of the town and district were saddened last Thursday to hear of the death, following a three months illness, of Peter McAskile, well known local merchant. He was 69 years of age and had remained active in business up to the time of his illness.

He was born in 1885 at Highgate, Ont., where he lived until the age of 20, when he came west to Lethbridge. He was in business at Taber, Seven Persons and Orion before moving to Vulcan in the 20's and in 1912 married Alisie Scoble.

A member of the Masonic Lodge for over 30 years, Mr. McAskile was a Past Master of the Vulcan Lodge and a Past District Deputy. He was active in the United Church as a member of the Board. Throughout his life he was interested in civic affairs and the advancement of his community and for many years was a member of the town council as well as serving one term as president of the Vulcan Board of Trade. He was an ardent curler until giving up this sport a few years ago.

Funeral services were conducted by Rev. Peter Dawson of Champion and Rev. John S. Clarke of Vulcan at the Vulcan United Church on Saturday, Jan. 29. The large attendance of friends and the many beautiful floral tributes were evidence of the esteem and high regard in which Mr. McAskile was held by both town and country residents.

Palbearers were W. D. Allan, G. C. Collier, O. B. Roe, A. L. Schrag, William Munro and E. M. Anderson and graveside rites were conducted by the members of the Vulcan Masonic Lodge.

Fashion Show At Alston Hall Provides Much Amusement

(Contributed)

A near capacity crowd attended the first social evening of the 1955 at Alston Hall, on Saturday evening, Jan. 29. The first part of the evening was spent playing bridge and whist. The bridge wingers were family affairs with the high going to Mr. and Mrs. Gino Poersch while the low went to Mr. and Mrs. Guy Volsey. In the whist Mrs. Jock Marshman and Henry Todd shared the honors for high with the low going to Mrs. Ernie Kranzler and Geo. Mueller.

A short program followed the cards consisting of Piano Solos by Joyce Saunders, Accordion Solos by Beverly Poersch, vocal duet by the Sailer Bros. from Champion, a skit on "Secret Weapons from Lower Slobovia" imported by Lloyd Schunaker, Vocal Solos by Mabel Reath and Tap Dancing by Linda Flitton.

The highlight of the evening was a fashion show with the latest from Paris (?), modelled by the men of the district. As the models minced their way lightly across the stage a running commentary was carried on by Madame Flitton accompanied on the piano by the only lady of the show, Miss Evelyn Reath. All the latest styles from sport clothes to night clothes including afternoon and evening dress as well as what the well dressed bride will be wearing in the coming season. Models included Ray and Gary Flitton, Evan Williams, Cameron Middleton, Geo. Mueller, Jack Middleton, Edwin Beingsner, Jim Carlson, Frank Beaubier, Gino Poersch, Philip Fath, Hartley Macdonald, Glen Williams, Jimmy Strauss, Jimmy Reath, Gerry Strauss, Doug Beingsner and Arlen Smith.

Congratulations are to be offered to the Hall Board for the success of this first undertaking and all are looking hopefully forward to the next one.

League Leaders Trim Legionaires

In the best played game of the season, the league-leading Nanton Palominos extended their winning streak to four games by romping to an impressive 8 to 4 win over the Vulcan Legionaires.

In the game played before the largest crowd of the season, the smooth-skating Palominos pumped four goals past Jerry Smith, playing his first game in the nets for the local club, before the Legionaires managed to get on the score sheet. From that point on, however, Vulcan fired shot after shot at Scott in the Nanton nets and but for his brilliant netminding the score might well have gone the other way.

Two Nanton goals late in the third period nullified the all-out offensive by the Legionaires which had cut the score to 6-4.

A dark spot in the game occurred in the third period when Jerry Sparks, rookie Legionaire defenseman, suffered a broken arm.

Nanton—J. Scott; Duthe, Dunham, Clark, Atkinson, G. Ellenton, B. Young, Hawk, McKenzie, K. Ellenton, Huzmer, Bell.

Vulcan—J. Smith; G. Going, J. Sparks, Gorbous, P. Walker, Boutland, Jordan, Kehr, H. Beuhler, A. Walker, D. Larkins.

Vulcan goals were scored by Jordan from Kehr and Beuhler, Gorbous from Walker, Jordan from Gorbous and Beuhler, and Boutland unassisted.

HOME & SCHOOL ASSOC. ANNUAL REPORT (Contributed)

The association was formed in Feb. of 1953, and we have this year a membership of 42 out of 54 parents, with interest in the association growing stronger all the time.

We sponsored two delegates, one to the "Annual Convention" and the other to "Work Shop" in Banff. Several members of the Executive attended the "Vulcan Home and School Institute", which helped our new Association immensely.

To begin our fall term we have a "Get Acquainted Evening" with a brief address from each of our teachers. Programs on "Roll Playing and Curriculum" seem to create the widest interest, and enjoyment. Our guest speakers have included Mrs. Frey, provincial program convener on "Provincial and National Home and School organizations," and Dr. Rowland and Miss Sutherland on Guidance subjects.

We have helped with the kiddies Christmas bags, helped towards obtaining more recreation facilities at the school, sponsored films once a month, had photos taken of and for our "Graduating Class", and climaxed a school year with a community picnic enjoyed by all.

To raise funds on "St. Patrick's Tea and Bake Sale", was held which was very successful, and a silver collection was taken after each film.

To promote interest we have a monthly award for attendance of parents and teachers at meetings.

Mrs. Bailey Sr., of Vancouver, has been visiting at the home of Mr. and Mrs. Rudy Hubka for the past week.

I wish to make a correction on the date of the dance that is to be held at Burwell School. It will be on Feb. 18, not Feb. 11 as printed last week.

Patients in the local hospital are Mrs. R. Barnes, Mrs. Len Rhodes, of Champion; Mrs. Crowe, Martin Olson, Mrs. Annie Hagan, Mrs. D. Russel and baby Yoemans of Carmanagay, and Jack Smith, Mrs. M. Johnson, Mrs. R. Grant and Mrs. E. Dauke of Barons.

Ralph Clark from Custon is visiting relatives in the district.

Guild Activities, '954

A report on the Anglican Guild Activities for the year 1954 was given on Sunday Jan. 22 at a meeting of church members held at Mrs.

McIntyre's. The following officers were elected: Pres., Mrs. McIntyre; Vice Pres., Mrs. G. Miller; Sec., Mrs. W. Neilson. Dues remained at 25c and we acquired nine paid-up members. It was decided to continue bringing 10c articles to the meetings for the fish pond.

At each meeting during the year some member read an article of a devotional nature. These were always interesting and informative.

In April a Fashion Show and Tea was held. During the baseball season the Guild undertook to operate a refreshment booth at the games.

On Nov. 13th our Annual Bazaar and tea was held.

It was decided to hire a janitor for cleaning and fires at the church and Mrs. Rena Burns was engaged for this work.

The Guild also turned over \$200.00 to the Warden to pay for the cement work on the foundation of the church. Donations during the year included \$5.00 toward Bishop Yashiro's car for Japan.

No picnic was held last year as so many were away during the summer months.

All in all, we feel it has been a successful year considering we are so few in number.

East Carmanagay Mutual Telephone Co. held their 20th annual meeting in the town office Jan. 26th. The following officers were elected: Pres., Clarence Anderson; Vice Pres., Richard Fraser; Sec., Mrs. Vilas Teskey. Directors: Hjalmar Nelson, Adolf Schumaker, Allan Wennes, Bert Akitt, Johan Rosenkrantz.

A note of thanks in appreciation was given to Carl Stettner. He has held an office since the Co. was formed. Jasper Root and Adolf Schumaker consented to act as trouble men until 1st of April when they hope to get a permanent man.

The Carmanagay 4-H Grain Club held their meeting on Jan. 20th. During this meeting the following officers were elected: Pres., Kenneth Anderson; Vice Pres., Allan England; Sec., Genda Moore; Treas., Bill Miller; Soc. Con., Duane Blinnings; Press Rep., Glen Anderson.

Anglican Guild

The January meeting of the Anglican Guild was held at the home of Mrs. A. Baldwin with nine ladies present. The officers for the new year are: Pres., Mrs. A. McLean; Vice Pres., Mrs. A. Baldwin; Sec., Mrs. L. Baldwin. It was decided to continue with a 10c article to be brought to each meeting and used for the fish pond. One member was chosen to attend the vestry meeting in February when the matter of shingling of the church roof will be discussed. The next meeting will be held at the home of Mrs. A. Krasmen.

Altar Society

The January meeting of the Ladies' Altar Society was held at the home of Mrs. Josephine Minty on January 20th.

There were ten members and Father DeBel present. Father said the opening prayer.

Roll call was answered by each member giving an interesting Catholic news item.

The minutes of the previous meeting were read and the President moved that they be adopted.

The President thanked all the ladies who helped make our Christmas party such a success, particularly the Lunch and Program Committees.

Mrs. Letal extended the thanks of the Society to Frank Hubka for having the church windows repaired. She also extended thanks to Bob and Rudie Hubka for their time and work in making an altar rail for our church.

The ladies decided to raffle the quilt so kindly donated to them by Mrs. Letal, at their St. Patrick's Tea. Tickets for same to be 25c.

The next meeting will be held on February 22nd at Mrs. Beulah Hubka's.

Mrs. H. Plourd, Mrs. Betty Kryzanowski and Mrs. Jo Letal are the church dusters for February and March.

Father thanked the ladies for their Christmas gifts and he also thanked the children for their remembrance. He has planned to give us a talk on The Mass at our next meeting.

Mrs. McAlpine kindly consented to write up a history of our Carmanagay church after she had received all the facts.

The meeting adjourned and a delightful lunch was served by the hostess.

Forest Protection

and Conservation

in Alberta

Over half the total of Alberta is covered with trees. Alberta's forests range along the eastern slopes of the Rocky Mountains and in the west-central and northern sections of the Province. These are of vital importance, not only for the 400 million board feet of lumber cut each year and the fish and game they shelter, but also for their control of the water supply of the western part of Canada.

The protection and conservation of these resources are the responsibilities of the Forestry Branch of the Department of Lands and Forests.

For administrative purposes, Alberta's forest area is divided into ten divisions or reserves. These are under the supervision of forest superintendents and their assistants who employ rangers, lookout men and casual laborers. Timber inspectors are stationed at Edmonton, Athabasca and Bowden.

Officers of the Forest Service are responsible for conservation, the prevention and suppression of fires and the proper harvesting and utilization of timber. In addition to their field duties, the men intercept acts and regulations administered by the Forestry Division for the public and work closely with the R.C.M.P. Further duties include assistance to tourists, hunters, fishermen and settlers, especially in connection with protection of forests from fires.

Fire is still the greatest enemy of our forested land and six out of seven fires are started by careless people. Despite the best efforts of the Forest Service and intensive publicity campaigns, over a million dollars worth of timber is lost each year.

The Forest Service radio system, essential in communication throughout the reserves, has been geared to the requirements of civil defence in Alberta.

Forests in the Crownst, Bow River and Clearwater Reserves are administered by the Eastern Rockies Forest Conservation Board. Since this area contains the headwaters of rivers helping to supply Alberta, Saskatchewan and Manitoba, the work of the board is financed jointly by the Governments of Canada and Alberta.

Alberta's forest inventory being made from aerial photographs and ground surveys, provides an accurate measure of our resources. An effective forest management program is thus being carried on which, by selective cutting, assures a perpetual supply of timber for future generations.

The Fish and Game Branch plays an important part in the work of the Department of Lands and Forests. Conservation is the keynote here also. A trout hatchery is maintained in Calgary and trout rearing stations are located at two centres. Annual plantings of various species of fish are made in carefully selected waters and many smaller lakes owe their fishing attractions to this work.

Commercial fishing in Alberta yields over ten million pounds annually, and an inspection service ensures a high quality product when packed for the domestic and export markets.

The Game Branch maintains a pheasant farm at Brooks where six to seven thousand birds are hatched for release in various parts of the province.

Other duties, no less important, include transporting live beaver to the northern parts of Alberta, making surveys of migratory birds, upland birds and big game, and co-operation in the work of rabies control in our northern forests.

MAJORVILLE

(Held Over)

Mrs. Smith of Kelowna, B.C., is at present a guest at the home of her son-in-law and daughter, Mr. and Mrs. Bartsch.

Five tables of court whist were played at Liberty last Friday, winners were: Gents first, Colin Campbell; Ladies first, Mrs. Sandy Henry; consolation, Mrs. Harvey Fuller and Junior Berschy.

Mrs. Mitchell and Harry Rivers of Bragg Creek were visitors for a few days last week at the home of Mrs. Sutherland.

John Beckner, small son of Mr. and Mrs. Bill Beckner, fell from

his pony and sustained a broken collar bone. Bill had purchased the pony just a week or so previous but just how the little fellow fell is not known. When he was picked up he didn't seem to hurt but when taken to Vulcan next day it was revealed the collar bone was broken. We all wish him a recovery free from complications.

Mr. and Mrs. Don Gordon of Cluny were guests at the home of the latter's parents, Mr. and Mrs. George Heather.

Mr. and Mrs. Chester Edwards of Bassano were visitors at the home of Mrs. N. Hagg last Sunday.

Jack Sutherland left during the week for a tour of the States.

Mrs. Bartsch was hostess at her home for the January meeting of the FWUA. Seventeen members and three visitors answered roll call "How to make the meetings more interesting". A few of the suggestions will be tried out from time to time during the year.

Correspondence was light and there wasn't much business on hand.

A discussion on whether to form a Junior local aroused mixed sentiments, some felt that the young folks attending school and eligible to join the organization had enough to keep them occupied at the present time but as there are a number of others who are through school and who may be interested a meeting will be held in Liberty on Sat. evening, Jan. 29th. All parents interested are asked to attend.

It was voted to send \$2.00 to the TB seal campaign.

Mrs. Fuller won the tea raffle.

Mrs. Winch and Mrs. M. Clemmons were assisting hostesses.

The next meeting will be at the

home of Mrs. M. Clemmons and as the bulletin is "Handicraft, hobbies and cultural activities", it is planned to have a demonstration by Mrs. Bob Scott on leather-craft and shell pictures.

It was brought to the attention of the meeting that some new members had gone to Queenstown on the evening of the Dec. meeting so we would like to make it known that the meetings are held on the third Thursday of each month in the afternoon and as there is usually quite a bit of business to be taken care of the officers like to get started as soon after two o'clock as possible.

Mr. and Mrs. Fuller were visitors at the home of Mr. and Mrs. Jim Dew on Tuesday evening. Jimmie's have recently had a T V set installed.

Mr. and Mrs. Bert Clemmons went to Cluny on Saturday to attend the wedding of the latter's cousin, Douglas Fraser of Hussar, and Melvina Gutroth, recently of Cluny, now of Bassano.

Measles have struck the district and the children of the Bennett Dew family are victims. Some of them have been really sick with the outbreak. We send them best wishes for a speedy recovery.

Mr. and Mrs. Vic Bertrand visited their son-in-law and daughter, Mr. and Mrs. Jack Rhodes of Vulcan, on Friday.

ARMADA

A very large crowd attended the Hard Times dance last Friday night at Armada, several people from Vulcan, Champion, Rainier, Lomond, Milo and High River came to dance to the good music provided by Glen Sealack and his orchestra. Mr. and Mrs. Melvin Magnuson were awarded the prize for being the poorest couple. The next dance is to be held on February 24th, music by the same orchestra.

LEADERSHIP TRAINING for YOUNG MEN

To young men of 16 years of age, the Soldier Apprentice Training Plan offers most valuable training and career opportunities. It provides formal schooling, military training, trades apprenticeship and an opportunity to become a leader. Soldier Apprentices receive half pay of a private

soldier recruit while 16 and on their 17th birthday they draw full pay.

To many young men from coast-to-coast, Soldier Apprentice Training has proved a wonderful experience and the starting point for excellent careers. In the words of a young Soldier Apprentice—"The Soldier Apprentice Plan is a once in a lifetime opportunity."

Formal Education—Civilian teachers are used for academic training in such subjects as Chemistry, Physics, Mathematics, English.

Trades—Besides getting a grounding in all ways of the Army, they are given the opportunity to learn one of 19 different trades.

Sports—It isn't all work... there's plenty of recreation...bowling, swimming, basketball, soccer, hockey, depending on the season.

Mrs. W. W. Clarkson and Mrs. Grace Ross spent the latter part of last week in Calgary.

Mr. and Mrs. Martin Matlock of Champion and Mr. and Mrs. Harry Smith motored to Turner Valley Sunday to visit Mrs. Jane Matlock, who is ill in the hospital there. They also were guests at the Dave McDonald home.

Mrs. Margaret Craig, who recently observed her 90th birthday had the misfortune to fall and severely injure her hip Sunday afternoon. X-Rays have been taken and a fracture is feared. Mrs. Craig has made her home for some time with her son-in-law and daughter, Mr. and Mrs. Schnieder.

Among hospital patients this week are Mrs. E. J. Loxton, Mrs. George Seaman, Mrs. Bill Roebuck, Ashley Hanna of Lomond and Don Marshman. Best wishes are extended to them all.

B. J. S. Sharp, Optometrist, will be at Mitchell's Drug Store, Vulcan on Saturday, Feb. 5, from 10 a.m. to 5 p.m. —Adv. 2c
